CORRECT SELECTION OF EARTIPS

Silicone eartips of 3 sizes (S/M/L) are included. To enjoy the best quality sound and comfort, please choose the pair most suits your ears.

REPLACING EARPIECES/CABLE

Remove the worn-out eartips, and diagonally place the new eartips inside-out, pushing it firmly onto the headphones until it seats securely around the groove on the shaft; slightly spin the worn-out cable to remove it, then plug the cord in until it is stable.

EARMUFFS MAINTENANCE

Remove the eartips from your headphones and wash them by hand with a mild cleanser mixed with water. After removing dirt, rinse thoroughly with warm water. Air dry before use.
